

"BOBBY" BURNS INVINCIBLE

Almost Scored a Shut Out On Rutland.

ALLOWED BUT THREE HITS

Giants Got After Doescher and Won Game 6 to 1—By Lucky Bunching of Hits Burlington Beat Plattsburg.

Rutland, July 26.—Rutland was never a factor in the game with Barre-Montpelier yesterday and had no show of winning at any time. The score was 6 to 1. The principal trouble was that Rutland could not make any headway against the superb pitching of Burns of the visiting team. Doescher, who was in the box for Rutland, pitched an excellent game and had been given good support he would have held the Intercity team down to a very few runs. As it was the visitors failed to make an earned run, although the four free tickets which Doescher gave aided in the scoring.

The visitors made sure of the game at the very start. Shaughnessy, the first man up, was given a base on balls. Dorman hit safely to left, sending Shaughnessy to third. Uniac hit an easy one to Dyer, and the latter threw to Duff to head off Shaughnessy at the plate; but Dyer threw the ball about two feet too high for the catcher and Shaughnessy tallied the first run. Apperious went out short to first, sending Dorman to third and Uniac to second. Dorman went home on a wild pitch. Stankard drew a base on balls. Eaton flew out to O'Hara, and Uniac went home on the play. Morey was the third out, Shannon to Robertson.

Rutland's only run was made in the third, when with two out O'Hara doubled to center and scored on Cotte's single to left.

Both sides went out easily until the seventh when Barre-Montpelier made two as the result of a hit, a base on balls, a sacrifice and the fact that Dyer in throwing to third to head off Eaton hit the runner in the back, the ball glancing off among the carriages back of third base. The visitors made one more run in the ninth just to show that they could do it, and not because it was needed, Burns being the man to make the circuit. The score:

BURLINGTON BUNCHED BINGLES.

And So Beat New Yorkers by Score of 2 to 1.

Burlington, July 26.—By a bunching of hits in the eighth inning of the game yesterday Burlington trimmed the Plattsburg bunch 2 to 1. There was nothing unusual about the game, save the four errors made by Burlington. Vickers pitched cool, heady ball and pulled out of several holes neatly. He was touched up for seven hits, more than Barberick, but they were well scattered and he did not give as many passes as the Plattsburg man.

Plattsburg scored its only run in the second. Bottomus singled to right, and reached second on Cosgrave's drive to the same quarter. Both moved up a notch on Wells' sacrifice. Bottomus got out trying to make home plate on Kretschell's short grounder. Barberick sent one to Hazelton who failed to hold it and Cosgrave scored. Lauder struck out.

Burlington scored her two runs in the seventh. Brennan singled but was forced out at second, Vickers getting a life. Page drew a pass. Hayes flew out to left. Matthews then sent a timely single to left and Hazelton solved the problem by a pretty drive which scored Vickers and Page. The score:

KNOCKED WILHELM OUT

Fraser Succeeded Him and Held the Heavy Hitters Better—Boston Could Do Little With Philippi.

Boston, July 26.—The Pirates turned the tables on Boston yesterday afternoon, knocking Wilhelm out of the box and scoring a shutout, 7 to 0. The home team could do little with Philippi. The visitors gave Wilhelm his bumps in the third inning. Wolcott fumbled Beaumont's grounder, Clarke doubled and Batty fumbled, Leach's grounder, enabling Beaumont to score. Wagner doubled and Clarke scored. At this point Fraser replaced Wilhelm, and Howard started off by doubling to right, letting in two more runners. Howard went to third on a passed ball and scored on Brain's fly to Delehanty. Ritchey walked and was out stealing, while Peitz fanned.

A felder's choice, a pass, a passed ball and a scratch hit scored one more in the seventh, and Peitz' double and Beaumont's single scored the seventh and last in the ninth inning.

Boston's only chance to score was in the first inning when Batty singled and Tenney scratched a hit. Batty went to third when Dolan forced Tenney. Then Dolan tried to steal second, and at the same time Batty tried for home. Wagner returned the ball to plate in quick time and Batty was caught.

MITCHELL GETS SIX MONTHS

United States Senator From Oregon.

SENTENCED TO PRISON

Must Also Pay Fine of \$1,000—Was Found Guilty of Receiving Bribe to Aid in Defrauding Government of Land.

Portland, Ore., July 26.—United States Senator John H. Mitchell was yesterday sentenced to serve six months in jail and to pay a fine of \$1,000. Sentence was pronounced by Judge De Haven in the federal court. Senator Mitchell was found guilty by a jury several weeks ago of receiving money for services performed at Washington in connection with the public land frauds.

The aged Senator nearly broke down when sentence was pronounced. Senator Mitchell was convicted of the specific act of receiving in March, 1902, a bribe of \$2,000 to have illegal claims of land expedited through the United States general land office. The accused throughout the trial has been S. A. D. Puffer, a convicted and confessed land thief, who says that he paid Senator Mitchell the money.

It was alleged by the prosecution that in taking this bribe Mitchell had made himself also a party to a conspiracy for the creation of the Blue Mountain forest reserve in Eastern Oregon with the intent of defrauding the government of public lands. He was charged also with conspiring to obtaining possession of more than 200,000 acres of public and school lands of the value of more than \$3,000,000.

Senator Mitchell is seventy years old. For the past forty years he has dominated the politics of the state of Oregon, having been elected one of the United States senators four times.

BROKER'S WIFE DIES.

Strange Suicide Impulse of Mrs. Charles Marshall.

New York, July 26.—Within five minutes from the time that Charles Marshall, a Wall street broker, left his wife apparently sleeping soundly in bed yesterday, the woman wrote her husband a note telling him not to let the world blame him for what was going to happen, and shot herself.

She was unconscious before Mr. Marshall could reach her bedside from another room, and died in a short time. Mrs. Marshall was formerly Miss Grace Starr, and was highly connected in local circles. No cause for her act has been discovered. The tragedy occurred in the Raleigh, a fashionable family apartment hotel overlooking Central Park. The reason assigned for the suicide is that Mrs. Marshall was jealous of a stenographer in the employ of her husband.
